Claim Rejections - 35 USC § 102

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

4. Claims 1-4 are rejected under 35 U.S.C. 102(b) as being anticipated by Kirby.

Kirby discloses a device comprising: an inflexible, fixed marker member 15 made of fiberglass permanently secured to a magnetic mounting member 18 sized to reversibly attach said marker member to a mounting member attached to a vehicle or to the bottom of a bed of a trailer.

Conclusion
